February 20, 2012

Dear Vendor:

Please find below the vendor information for the USRowing Club National Championship Regatta July 11-15, 2012, at Cooper River, Camden, NJ.

This event crowns seventy-one national champions in junior, intermediate, and senior classifications. We are expecting over 1,500 competitors and 5,000 spectators during the five-day event.

Vendors have the option to provide their own tent, or for USRowing to provide tenting in one of three sizes. All vendors will be provided with tables and chairs.

New for this year, USRowing will offer a flyer program for its regattas. All vendors are eligible to provide a flyer to be included in the event registration packet.

Unable to attend? Take advantage of the new "Flyer Only" option to ensure that your company still has a presence at this growing event.

Sponsorship opportunities are also available for companies looking to enhance their presence at this event. Contact AJ Dominique III for more information on available opportunities.

Please complete the information and return to AJ Dominique III no later than Sunday, July 1, 2012. You may fax the paperwork to (609) 924-1578 or email the information to alvin@usrowing.org.

Sincerely,

AJ Dominique III
Events Manager
