6th Annual College Fair

This year will mark USRowing's 6th Annual College Fair which was established in 2004. Our 2009 Club National Championship Regatta will feature more than 1,300 athletes competing in over 70 events at the junior, intermediate, and senior levels. In addition, this year's college fair will consist of 50+ college/university rowing programs from across the country.

The aim of the College Fair is to provide rising seniors with the opportunity to meet college coaches and acquire knowledge about their future collegiate careers. In addition, the presence of top high school athletes at the club nationals provides an ideal opportunity for athletes to showcase their talent and for college recruitment.

Athletes wishing to participate in the College Fair should visit the Athlete Tent on Sunday between the hours of 2:30pm-4:00pm. There will be a registration table set up that athletes can report to in order to sign-in for the event.
