### Features:

- Hypothermia and flotation protection
- The suit's close-cell foam provides flotation and in-water insulation to delay the onset of hypothermia in the event of water immersion (immersed Clo=0.420)
- Tug-Tite at thighs and ankles cinch easily to improve fit and minimize water flushing to delay onset of hypothermia
- Inflatable head support pillow for additional buoyancy
- Relaxed fit for comfort and mobility
- Neoprene wrist closures for weather protection
- Ergonomic insulated hood easily folds into collar
- SOLAS reflective tape for improved visibility
- Chest and front cargo pockets for extra storage
- Coast Guard Approved Type III PFD when worn
